Drum Storage Lot Sampling and Analysis
NC1170027261

Dear Mr. Edwards:

United States Marine Corps' Sampling and Analysis of the Naval Aviation Depot Hazardous Waste Drum Storage Lot has been reviewed. The results indicate that the soil in the lot is contaminated. Please submit plans for clean up of this site and a schedule of cleanup and final closure by February 22, 1989.

If you have any questions, please contact Katherine Lew of my staff at (919) 733-2178.

Sincerely,

James G. Martin
